Einstein said, **It is the supreme art of the teacher to awaken joy in creative expression and knowledge.**

A Child is like a butterfly  
in the wind  
Some can fly higher than  
others,  
But each one flies  
the best it can.  
Why compare one against  
the other?  
Each one is different.  
Each one is special.  
Each one is beautiful.

a *Mind* and  
touches a *Heart*
